

CMS Facility Compare Dashboard-ASC Measures

The screenshot displays the CMS Facility Compare Dashboard for ASC Measures. The browser address bar shows the URL: <https://www.qualityreportingcenter.com/en/ascqr-program/data-dashboard/>. The navigation menu includes: Events Calendar, Inpatient, Outpatient, **ASC**, SNF VBP, and Events on Demand. The sidebar menu includes: ASCQR Program, Program Information, ASCQR 101, ASCQR Program Tools and Resources, Upcoming Events, Archived Events, Continuing Education, **Data Dashboard** (expanded), ASC Compare Tool, and ASC Lookup Tools. The main content area features the following sections:

- Data Dashboard**
- Facility Compare Dashboard**

The Facility Compare Dashboard allows you to look over publicly reported data for your ASC and see how it compares on measures to Hospital Outpatient Departments and other ASCs with related measure submission.

Click here to access the [Facility Compare Dashboard](#).
- ASC Lookup Tools**

The ASC lookup tools allow program participants to view the CMS Certification Number assigned to their National Provider Identifier, if their facility has completed data submission for selected measures, and if certain data reports are available through QualityNet.

Click here to access the [ASC Lookup Tools](#).
- Medicare Procedure Price Lookup**

The Medicare procedure price lookup allows you to compare national average prices for procedures done in

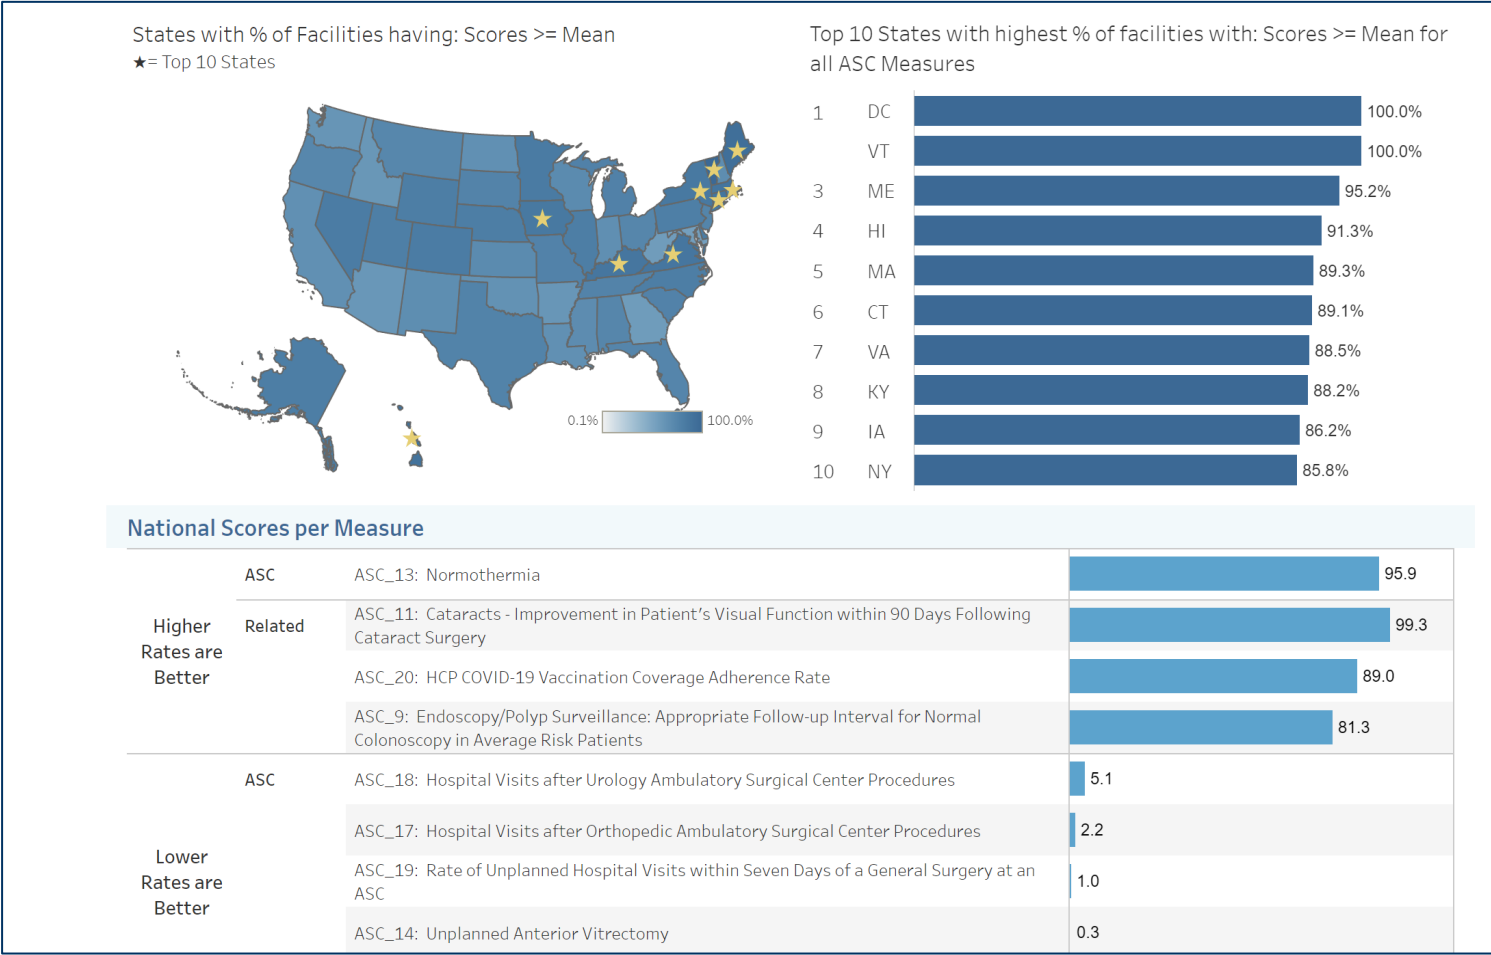

Comparative Reports Selection

The screenshot displays the Quality Reporting Center's CMS Quality Measures Scorecard selection page. At the top, the logo for the Quality Reporting Center is on the left, and navigation tabs for 'Events Calendar', 'Inpatient', 'Outpatient', 'ASC', 'SNF VBP', and 'Events on Demand' are on the right. The main content area features a dark blue header with the text 'CMS QUALITY MEASURES SCORECARD' and 'Overview'. Below this is a light blue instruction box: 'What do you want to do? Click a button below to select a desired report to view.' The page contains ten yellow buttons arranged in two columns, each with an icon and a description of the report's content.

Icon	Description
	Explore all measures reported by a single facility.
	Explore all claims-based measures.
	Compare facility performance by measure.
	Compare state and city performance by measure.
	Explore overall national scores by state and measure.
	Explore state comparison for all ASC measures.
	Explore state comparisons for related measures across programs.
	Explore state comparison for all OQR measures.
